AUSTRALIA INTERNATIONAL DIVE EXPO BACK AT 2018 SYDNEY INTERNATIONAL BOAT SHOW

The Australia International Dive Expo (AIDE) will take place once again at the International Convention Centre Sydney as part of the Sydney International Boat Show from 2-6 August 2018.

As part of the largest recreational boating event in the Southern Hemisphere, water-loving visitors will have access to everything they need for their water hobbies, be it underwater or above it.

There will be an exciting line-up of speakers for this year's event, which will cover a wide array of hot topics including technical diving, shark education, dive destinations, marine conservation, dive gear maintenance, photography, videography, and much more.

A major feature this year is also the addition of two extra pools at the Show to allow for more product demonstrations and dive try-dives. Underwater drones will no doubt be of keen interest, as well as underwater scooters.

There will also be a photography contest to win the title of 'The AIDE Australasia Underwater Photographer of the Year Competition 2018'. Opened to novices and professionals, there will be some seriously attractive prizes to be won, too!

General visitors to the show will also have the chance to win themselves one of many holiday prizes. All they will need to do is enter the competition (a game of skill) when visiting the dive section.

As per last year, there will be lots of entertaining activities taking place over the five days and parents can take advantage of the kids' corner while shopping around for great deals or networking with the water experts.

With more than 60,000 visitors expected at this year's Show, visitors are encouraged to register their interest and purchase tickets online to avoid queues. Tickets are available at www.sydneyboatshow.com.au.
